Maybe even better than free.

This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Unfortunately, we can't make that part free. Alternatively you can choose to share your download links on blogs, forums andsocial networking sites. You decide who you want to share your files with. Simply upload your file and share the link. There are no restrictions on the numberof times a file can be downloaded. So try our free and simple filehosting service now. Files transferred the old-fashioned way tend to pile up and be forgottenabout, eventually costing you money in data storage fees. You can upload any type of file (movies, music, documents, images, zip files and more). The cost ofthat data transfer is covered by your internet service or the data plan on your phone. File is free to use with no gotchas and no hidden fees. Any file in anyformat can be uploaded and downloaded for free. If only we could, we surely would! On the other hand, using file can actually save you money. Our service iscompletely free for everyone. You can give this download link to your friends by mail or instant messenger. We have no file size limit. filehosting provides aneasy possibility for you to send large files to your friends. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data isbeing transferred between your computer or phone and our servers, then from our servers to your friends device. Keep your files private, or send your downloadlinks only to friends or family. You don't need any special software installed to be able to download your files. Using file, you can circumvent those limitswithout paying to upgrade your team chat service. No account or credit card is required to get started. It is also allowed to link to the download page fromwebsites and communities. Just upload the file you want to share with your friends and we send you a download link to your file. Why pay storage fees for afile that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps.Files can be downloaded from any computer from our high speed servers.
