Maybe even better than free.

If only we could, we surely would! On the other hand, using file can actually save you money. Using file, you can circumvent those limits without paying to upgrade your team chat service. Keep your files private, or send your download links only to friends or family. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Simply upload your file and share the link. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, manyteam chat apps have limits to the size of files that can be transferred within their apps. When you use file, you avoid storing the file you're sending in yourcloud storage or mail server. Alternatively you can choose to share your download links on blogs, forums and social networking sites. It is also allowed to linkto the download page from websites and communities. You decide who you want to share your files with. There are no restrictions on the number of times a filecan be downloaded. Our service is completely free for everyone. Files can be downloaded from any computer from our high speed servers. You can upload anytype of file (movies, music, documents, images, zip files and more). File is free to use with no gotchas and no hidden fees. You don't need any special softwareinstalled to be able to download your files. filehosting provides an easy possibility for you to send large files to your friends. Unfortunately, we can't make thatpart free.

The cost of that data transfer is covered by your internet service or the data plan on your phone. You can give this download link to your friends bymail or instant messenger. No account or credit card is required to get started. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. We have no file sizelimit. Just upload the file you want to share with your friends and we send you a download link to your file. So try our free and simple filehosting service now.Any file in any format can be uploaded and downloaded for free.
